Girl Power

Sebastian Melmoth

Sebastian Melmoth stumbled from out of the desert sometime in 2010. They were tired, hungry and in need of a good drink. It seems that the barren wasteland from which they emerged, provided this group of vagabonds with copious unfathomable treasures. They amazed the locals with bass, drum loops, soft synths, custom-made threads, fabulous haircut, beating rhythms, soothing guitar melodies and profound poetry.

Halber Mensch

One man noise PATROL Halber Mensch supplies "loop-pedal screamo punk with strings". If you like the sound of violin, bass and drums fed relentlessly into a black goth cement mixer whilst a tortured vocal belches up the sound of hell being hOovered, you'll be in for a treat.
