Indica Blues

Psychedlic bong-filling rock that is platinum heavy, but blessed with a light tough and melodic sensibility underneath it all. Features ex-members of GTI alumni Refugees Of Culture and Caravan of Whores.
<http://www.facebook.com/indicabluesuk>

Bromide

A 3-piece London-based band worshipping at the altars of Husker Du, The Only Ones, Guided By Voices, Teenage Fanclub, Buffalo Tom and other melodic rockers equally obsessed by songs, songwriting and the euphoria associated with playing music through amplified electronic equipment.

Moogieman & The Masochists

Moogieman specialises in astringent popular song, with themes ranging from an imagined economy of romantic attachments to obscure computer programming contests and industrial action in space. His songs have been described as 'concise', 'contagious' and 'deadpan panning of himself'.
