Chasing Daylight

Original songs from the classic British punk/ska/R 'n' B tradition, played using vintage kit, including a '67 Hammond organ with Leslie cabinet. Plenty of inspiration from the Canvey scene, The Kinks, The Bonzos and The Blockheads. All this plus sax, a kilt and their own bespoke marmalade, what's not to enjoy?

Deathsex Bloodbath

Coventry's number one glam-garage sex-and-violence dreamboats/shipwrecks, Deathsex Bloodbath wowed us with their alternativity punk panto at Get In The Box's Christmas show, so we wanted a slice of this tongue in (butt)cheek naughtiness for ourselves. Just a list of the members' names tells you this band is going to be capital A awesome: Sadogasm, Switchblade, Justin Appropriate, Masokiss, and Sororicide.

Mamzer

Approachable, tuneful and, just occasionally, slightly silly pop-metal. Fierce, feisty and female-fronted. Features Al Kenny, who has graced the Gappy stage a few times - also, he's not even playing bass this time!
