Oakland Road

A new Oxfordshire indie/soul band who specialise in high energy performance, catchy melody lines and three part harmonies. You want tunes? You got tunes! You want high energy? You got high energy? You want them to play for 7 hours and buy you a drink? You want the moon on a stick, mate.

Manaking

A one-man explosion of art, theatre and music. Tonight, he'll be hauling his funky rap rock stylings (and a couple of mannequins with whom to interact on stage) from Bradford, this highly original and unique concept artist is intent on delivering uncompromising rock crossover music, rhythmic vocals & stunning live visual performances.

Semi Urban Fox

Once upon a time Semi Urban Fox were Bush Fyre; a spandex clad glam metal cover outfit, relentlessly rocking the towns and villages of South West Oxfordshire. However, they soon moved on to pastures greener, and now deal in perky post-punk and tasty garage rock. Good decision, we think... but they should have kept the umlaut, though... umlauts are cool...
